

## **Job Opportunity – Lighting Technician & Programmer**

Light Fantastic Production Services Ltd provide high quality lighting, audio, video and scenic solutions to the live events industry. Our clients rely on us to deliver bespoke production solutions to a wide range of prestige live events across the UK & Europe.

Due to continued growth an opportunity has arisen for an enthusiastic individual to join our production team based in Borehamwood, Hertfordshire as a lighting technician. The role will involve maintaining, deploying and operating creative lighting systems for our broad range of corporate and private events.

You should have an excellent working knowledge of intelligent & generic lighting technology, control systems, rigging techniques, power distribution & data distribution.

You must be a creative and confident programmer, proficient with either Chamsys, Avolites or GrandMA platforms. Experience with media servers, video systems or audio systems would also be extremely beneficial.

The ideal candidate will be enthusiastic, eloquent and able to work well as part of a wider team or using their own initiative. You must be keen to learn and develop your expertise continually, meticulous and thorough in your work and have excellent interpersonal skills. A familiarity with Autocad and Google Sketchup will be beneficial.

Due to the nature of the live events industry working hours will be flexible and will include evening and weekend work. A full driving license will be extremely beneficial.

Salary + overtime negotiable depending on experience. To apply, please send a CV to [careers@lfps.co.uk](mailto:careers@lfps.co.uk).
